

# CONSECRATING

## the Eighth Ray Ritual Incense Burner

**Step 1:** Begin by making your Statement of Intent. Hold your incense burner in both hands and speak your statement of intent directly to it. This statement of intent can be spoken out loud and outlines the overall objective to be achieved from working with the incense burner. Say,

*“I work as an eighth ray ritual magician with this incense burner  
to purpose good in my world,  
to purpose good in the world  
to purpose good in the greater universe.”*

**Step 2:** To purify your incense burner sprinkle or gently sponge with Porta Alchémica® holy water or pure spring or artesian water and say as you do so,

*“With the power of this holy water I purify this incense burner for sacred magical purpose.”*

**Step 3:** To consecrate your incense burner pass it through smoke from Porta Alchémica® Fire ritual incense or incense of your choice and say as you do so,

*“With the power of the holy fire of life I consecrate this incense burner for sacred magical purpose.”*

**Step 4:** To dedicate your incense burner use Porta Alchémica® Fire elemental anointing oil or oil of your choice and with your right index finger draw the symbol for the element fire on the incense burner and say as you do so,

*“With the power of this ritual gesture I dedicate this incense burner for sacred magical purpose.”*

*“Purifactio, consecratio, dedicatio.”*

**Step 5:** To activate your incense burner for magical purpose blow on it three times and then say,

*“The breath of life activates and vitalises  
this incense burner for sacred magical purpose.”*

Then say decisively and forcefully,

*“It is done!”*

Once your incense burner has been purified, consecrated, dedicated and activated to sacred magical purpose and placed on the **south** side of your altar you can start to formally work ritually with it. Ideally no one else should be allowed to touch it.
